

## Baby Bobby Target Words, Sheet B

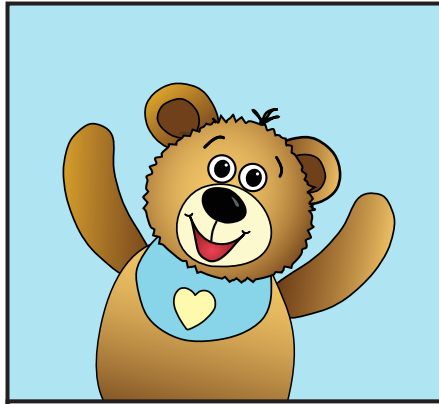

( Some of these words are a little harder than sheet A.)

**Instructions:** Model the word/sound for your child. Make sure your child sees your face. Say the word in a fun, animated way. Wait for your child to say the word. Don't pressure your child to say the word—he/she may shut down. Try a new word/sound 3 times. If your child does not imitate you, move to the next word/sound.

**Another idea:** Do a matching game: Print out two sheets. Cut out the picture boxes from one sheet and match them with the picture boxes on the other sheet.
