

Baby Bobby Target Words, Sheet A

(Many of these words are easier than sheet B.)

Instructions: Model the word/sound for your child. Make sure your child sees your face. Say the word in a fun, animated way. Wait for your child to say the word. Don't pressure your child to say the word—he/she may shut down. Try a new word/sound 3 times. if your child does not imitate you, move to the next word/sound.

Another idea: Do a matching game: Print out two sheets. Cut out the picture boxes from one sheet and match them with the picture boxes on the other sheet.
